

AT&T Wireless for employees

As an employee of a member provider, AT&T offers you a 22% discount on service charges (minutes, data, and text messaging) in your wireless plan. **The service charge discount does not apply to unlimited plans.** Both new and current AT&T customers with qualifying plans are eligible. All plans, including unlimited are eligible for a **20% discount on accessories** purchased through AT&T.

The discount will be applied to phone service charges – minutes, data, and text messaging for up to 5 lines on the account. Other charges, fees and taxes are not discounted. If you have a 2-year service plan contract, enrollment for the discount will re-start the 2-year term, and the discount will not apply to any unlimited services on the plan.

Highlights of the AT&T Wireless discount plan:

- No cost to enroll, and you will enroll through a dedicated AT&T website.
- Provides a 22% discount on services, which are charges for minutes, data, text messaging.
- Does not apply to AT&T's unlimited plans or any unlimited services on plans.
- All employees eligible for 20% off accessories purchased through AT&T.
- Available to all employees for up to 5 lines on their wireless plans.
- Employees are eligible whether or not the practice itself uses AT&T service.
- Does restart a customer's 2-year contract with AT&T, with no changes to their service plan.
- Does not reset accrued equipment credit time.
- Discount does not apply to additional line charges, taxes, or other charges.
- Please allow 30 days after enrollment completion for the discount to go into effect.

Enrollment Instructions

The enrollment process is simple and will take less than five minutes. To start, click [HERE](#), or copy-and-paste or type this link into your browser: **www.att.com/wireless/uda**. Then follow the instructions below.

The following steps apply to the current AT&T dedicated website, so please use them as a guide. AT&T does change this website periodically, and the enrollment instructions could change as well. If you find these steps are not accurate, please contact the [United Dental Alliance](#).

1st Screen – Reads **UNITED DENTAL ALLIANCE AT&T Signature Program**.

On the AT&T website, click “**Enroll here**” in the blue band above the title:

Already an AT&T customer? Please [Enroll here](#).

If you do not see this screen, copy the website link into your browser line and reload:
www.att.com/wireless/uda

2nd screen – Reads “**Enroll in the AT&T Signature Program,**” with “United Dental Alliance” in the upper right-hand corner.

Current customers:

1st box: enter an email address to receive confirmation from AT&T.

2nd box: enter the primary phone number on the AT&T wireless account.

Click **Continue** at the bottom.

New customers:

Click the link, “Order online to enroll automatically” after the “Continue” button.

3rd screen – 1st box: enter last 4 digits of Social Security Number on AT&T account.

2nd box: enter billing zip code for your AT&T account.

Click **Continue** at the bottom.

4th screen – Click the box indicating you are a member of a qualifying organization.

Click **Continue/Submit** at the bottom.

You are finished. You should receive a confirmation email from AT&T that your enrollment is being processed and your discount will go into effect after 30 days. With your confirmation email, you will be given access to purchase products from AT&T at a 20% discount (Apple products excluded). The eight-digit promo code (FAN) to use is **05115717**.

If you have any difficulties with the AT&T website, we can enroll you. Email us at the **United Dental Alliance** and indicate you wish to enroll for AT&T Wireless. Please include the following information:

- Email address for confirmation,
- Primary phone number on AT&T Wireless account,
- Billing zip code for the account,
- Last four digits of the Social Security Number on the account.

Our discount with AT&T is a corporate agreement. Enrollment is made through a dedicated AT&T website, so please do not go to an AT&T store to enroll. AT&T store personnel do not have access to our agreement and cannot enroll you.
